

Newsletter #20  
February 20<sup>th</sup>, 2018

- Our school helps the Severna Park Pregnancy Clinic each year by filling empty baby bottles with coins. We will be getting those bottles this week and giving one to each student. We would like the bottles returned to school by Friday, March 9.
- Re-enrollment forms were to be returned last Friday. We will be calling to remind you to send back the forms. This information is vital so that we can plan for next year.
- Continue sending in box tops. We will be submitting a package before the March 1 submission deadline.
- We will be ordering Pizza this week for lunch.
- Thanks to those who brought in water bottles for our dispensers!
