

- Special thanks go to four of our younger students, Ava, Ariel, Tyler, and Andrew, who brought in filled baby bottles for the Severna Park Pregnancy Center. The bottles were given out on Thursday and these students went home Thursday evening and filled the bottles from their piggy banks. The very next day they brought them in. We hope this effort by our younger students will encourage other students in our school to participate in this community service. Extra bottles are available if needed. These are due by March 19th!
- There will be another opportunity to go roller skating this Saturday, March 3, from 4:30 -6:30 PM when the rink is rented by Pasadena EP church. The rink is less crowded during this time and Christian Music is played.
- In celebration of St. Patrick's Day, students will be allowed to dress down on Friday, March 16th for \$1. The only other stipulation is that they must wear GREEN!
- Mrs. Nixon would like to give treats at times to her class and Ms. Tiffany also has treats available to students. We would like parents to let us know if there are students who have allergies to any food items. Contact the office if any student is allergic to a particular food item.
- We will be having an Easter egg hunt using plastic eggs which are filled with candy. We would appreciate parents sending in candy now so that we can begin to fill the eggs. Thanks for your help.
- Lunch will be from Chick-fil-A this week.
