

- Pictures will be taken this Friday, April 20th! There was a typo on Mrs. Wiegmann's letter that said pictures would be taken next Monday. Please disregard that typo.
- Only six more weeks (counting this one) before the last day of school and summer break. Our last day of school is May 24.
- Each Wednesday is when we have Chapel and boys should remember to wear their dress shirt with a tie.
- All students should remember to wear their gym uniform on the day they have gym. Students' grades are marked down if not in uniform.
- High school students are required to have community service hours in order to graduate. The summer break is a perfect time to accumulate these hours by helping others. Put this on a "to do" list for summer activities. Remember to keep track of the hours and get a supervisor to sign off on them!
- Lunch this week will be ordered from Dominos.
