

- Welcome back to school! Our first week went well and we welcomed new students in the elementary and high school classes.
- Each student has (or should have by now) a communication folder. This folder should be reviewed each night by parents to see if there is information from the school and if their student has homework. If your child had homework, please sign that they completed it.
 - **If you have not yet sent in a folder, please do so ASAP!**
- Each family also received a notice regarding our Extended School Day program. **This form should be reviewed, signed and returned to school even if you will not be using this service.**
- Speaking of Extended School Day, please remember that, if your child is here past 2:45 p.m. or enters the buildings before 8:15 (regardless of the reason), you will be billed \$3 for every half hour or partial half hour.
- The County Health Department will be here next month to review all student immunization records to see if everyone is current with requirements. If you have not provided these records for your student, send it in to the office as soon as possible.
- Each Wednesday, during chapel time, we take up an offering for the Baptist Haiti Mission. LSCA helps to support a school in Haiti. Students can help by bringing in something for the offering each week.
- **SCHOOL LUNCH PROGRAM:** We alternate ordering out for Pizza from Dominos one Friday and Nuggets and/or chicken sandwiches from Chick-fil-A the next Friday. Students receive 2 pieces of pizza or a chicken sandwich or 8 chicken nuggets. The cost is \$5.00 each week and they also receive chips and water. Orders should be given to Mrs. Rall in the office by Wednesday. It would be helpful if payment could be in cash. **WE WILL BE ORDERING FROM DOMINOS THIS WEEK.**
- We are asking for donations of water bottles for our water dispensers which students use daily. We appreciate your help in providing them. They can be purchased locally from Giant.
 - **We also have some empty bottles that may be refilled. Please see Mrs. Rall in the office if you would like to refill one of these.**
